## Bell Authorized Customer Service Facility/ Repair Station/PMA

Heli-Trade is a Bell Authorized Customer Service Facility (CSF). Located in Central Oregon, we are ideally situated to assist operators flying in the Pacific Northwest. We have Bell factory trained mechanics on staff with extensive experience working on the Bell 205, 212 and 206. We are

capable of providing on-site repair work by having our mechanics readily available to travel. Our mechanics have exceptional field experience and know how to keep your equipment flying.

Heli-Trade has an impressive inventory of Genuine Bell Parts for the 205 and 212. Our Parts Department is available around the clock for AOG requests. Just give us a call and we'll gladly provide you with a quote.

In addition to the CSF, Heli-Trade also has been granted Parts Manufacturing Authority (PMA) by the Federal Aviation Administration. We have several parts on our current manufacturing list and we are willing to provide our expertise in the manufacture of additional parts.
